

### Scouting Participation and Hold-Harmless Agreement

\_\_\_\_\_ (Unit, District or Council) is conducting a shooting sports program. Scouts will be instructed how to handle, maintain, and participate in shooting sports activities safely and be provided instruction to increase their shooting skills. Scouts will have classroom instruction and range instruction in which they will participate in shooting sports activities under the supervision of a trained leader in keeping with the BSA Shooting Sports Standards. Scouts/Youth will be required to wear the proper safety equipment for the appropriate range in which they will be at, either provided by the range or at an additional cost. Scouts are expected to abide by all safety rules and the instructions of the Certified Instructor(s). I, the undersigned, give my child, \_\_\_\_\_, permission to participate in this program. I understand that participation in the activity involves a certain degree of risk that could potentially result in a serious injury. I have carefully considered the risk involved and have given consent for my child to participate in the activity. I understand that participation in the activity is entirely voluntary and requires participants to abide by the rules and standards of conduct. I release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from all claims or liability arising out of this participation. I understand that any additional cost associated with participation in this program will not be refunded if my child is removed due to behavioral problems. For safety, my child and I agree that they will do the following or they will be removed from the program:

1. Complete the training offered as part of the program.
2. Wear all safety gear while on the range.
